Brains of Belvoir Quiz

This year's annual 'Brains of Belvoir' quiz held on 19th September attracted a huge audience packed into the VC Hall.

Once again a fun night, combined with an excellent supper, had all the ingredients of a very successful event. 16 teams took part and 'QI' were the eventual winners by a very narrow margin from the teams in joint second place namely 'I Knew That' and 'Top Six'. All profits will be used to support the Lions' continuing local and international charity appeals and work.

Would you like to be an elf (or a duck) this Christmas?

The Vale of Belvoir Lions have been planning their annual events of Santa & his Christmas collections aboard the sleigh and the traditional Boxing Day Duck Race. This year the collections take place between the 6th and 20th December in Bottesford - look out for dates on village notice boards or on www.voblions.org.uk. The money raised will go to the Dove Hospice.

The Lions would welcome any support from Santa's little 'elfers'. One of the helpers last year said, "For someone who normally sits behind a desk all day in a warm cosy office the thought of going out for a couple of hours on cold December evenings was daunting, but believe me, you soon forget the cold when you see the delight on a child's face as Father Christmas waves to them at their bedroom window." If you'd like to help call Phil on 843034 or Simon on 842189. Don't forget the Duck Race - starting at 11am Boxing Day, at Wash Dyke Bridge, Grantham Road, Bottesford.

Richard Taylor, President of VOB Lions, presents the trophy to Joyce Slater

End of an era – the village bonfire

The bonfire has been an integral part of the Lions Club Annual Firework Display for many years. Unfortunately over the last couple of years, reckless actions by individuals, including the placing of fireworks amongst the firewood, have placed both children and adults at risk of injury.

The Lions have tried to avoid this by building the bonfire as late as possible, but these potentially dangerous incidents have still occurred.

It is of upmost importance that the Club does everything reasonably possible to prevent injury to those attending and therefore the Lions have, with much regret, made the decision not to have a bonfire.

Vale of Belvoir Lions will still be providing an Annual Firework Display on the 5th November in the paddock of Bill Roberts, Devon Lane. We hope to see you all there.

Family hoe down

The Friends of Chernobyl's Children held one of their annual fund raising events in September to help bring a group of children over for their third visit next year. The event also raised funds for the GB Fund of Chernobyl, which supports groups across the country. Many thanks to everyone who came along. If you are interested in helping to raise more funds, contact Anne on 842259.

Digging for food

Bottesford has a number of allotments and it is good to see that they are all in use. Teresa Buckley is a newcomer to the Pinfold Lane allotment who has always loved gardening and thought she would enjoy having an allotment and showing her son how vegetables grow. She would encourage anyone to grow their own vegetables as it is cheaper and they taste so much better!

Whilst working on her allotment Teresa has exchanged gardening tips and plants with her new friends. At this year's Horticultural Show she won two 1st prizes for her beetroot and potatoes.

The results of the Allotment Competition for 2008

Large Allotment - 1st Mr. R. Parker, joint 2nd Mr. Sentence and Mr. Milnes and 3rd Mr. G. Pedge. **Small Allotment** - 1st Mr. R. Pritchett, 2nd Mrs. Teresa Buckley and 3rd Mr. Middleton. Congratulations to you all!

Sunflowers at the Creche

Bottesford Community Crèche had a successful summer in their garden.

The children planted sunflowers which grew to over nine feet high and won 1st and 2nd prize at Bottesford show for the largest sunflower head. The crèche is for children from birth to eight years. Contact the Centre on 844199 for more details.

Bottesford & District Gardening Association 31st Annual Show

Saturday morning dawned bright. Exhibitors arrived in droves and display benches groaned under the weight of produce - the biggest pumpkin had to rest outside on its trailer as no one could get it through the door!

Despite some regular exhibitors being absent due to illness - we wish them well and look forward to welcoming them back next year - there was an excellent display of flowers and fruit and vegetables. Village talent was further displayed in the arts and crafts, needlework, homecraft and photography classes. Encouragingly the Childrens and Juvenile Classes showed strongly with some innovative and creative work, not to mention the enormous sunflowers!

The Show Secretary, Hugh Spencer, reported: "We shall work hard to encourage this generation for the future and we also want to encourage all new entrants and will think about possible new exhibits for next year. It's all good fun whether your runner beans are straight enough or your cross stitch precise enough for the eagle eyes of the judges. Here's to next year and I must remember to buy only straight runner bean seed!"

Primary School News

All New at the Primary School

The children have all settled well into their new classes. There are 37 in the Foundation stage (4+) divided into two classes. The Year Three class has a new teacher, Mr James Webb. He said everyone was welcoming and helpful and the school has a very nice atmosphere.

New Equipment

The Friends of Bottesford School have raised funds to buy a 'Thumper' climbing Tower, which has been installed in the Foundation Class's playground. There is also an Oak Leaf table and chairs and a 'Buddy Bus Stop' seat in the main playground. The new classroom, toilets and cloakroom have been very well received. All the children would like to be in this new room!

The Vale of Belvoir Youth Council is looking for more members

The Vale of Belvoir Youth Council is involved in lots of work and activities to try and help youth all over Leicestershire. It works together closely with Melton Youth Council and CYCLE - the County Youth Council of Leicestershire - to make these things happen, like talking to citizens in the area. Being part of the youth council gives us lots of new opportunities, like the young mayor elections that are coming up next month. Members also get to go on trips, eg Polly went to Brathay, in the Lake District, and Lucy went to London, and met our MP, Alan Duncan. Being in the youth council has made us much more confident and has made us more respectful towards others. For more information, call in at the youth club next to Bottesford library. *Polly Redfern and Lucy Stones, age 14.*

The Jitty

A groundbreaking Leicestershire youth website, run by about 40 young people, is receiving around 20,000 visits a month. Visitors to the site can access information on subjects that concern and affect them, including self-harm and bullying.

New building at Belvoir High School

You can watch the progress of the new building at the High School from your computer by logging on to the school's website: (www.belvoirhigh.leics.sch.uk/build/index.htm). There are pictures from two webcams, as well as the architects' drawing of the new building. You can also see photos from when the main school was built from 1957 - 1959 as well as a copy of the programme from the official opening. See article on the back page.

Tutors Needed

Qualified teachers are needed to deliver 10 hours' individual tuition in Mathematics and /or English as part of the Making Good Progress Pilot in which the school is participating. Tuition will take place at school, outside of school hours on a one-to-one basis. The hourly rate is at least £25. If you would like more information please contact the school 01949 842224 or Pam Hatfield at County Hall 01166 3056329.

The Village Guide

Our Village Guide is published every two years and contains details of all the clubs and organisations in our Parish, and is distributed to every house and business, and is also available on the Bottesford Today website www.bottesford.org.uk Please contact us (see back page) by the end of November to make sure we have up-to-date details of *your* organisation.

BLOT – Belvoir Locals Oppose Turbines

BLOT has recently updated their website to include amended information on Palmers Hollow including a revised site plan and description of the proximity of the turbines to Bottesford: www.blot-online.org. Ridgewind have information on Palmers Hollow on their website www.ridgewind.com

The Vale of Belvoir Probus Club

The Probus Club - for retired/semi-retired professional, businessmen or the like - meets at the Barnstone Country Club on the 2nd and 4th Wednesdays every month for companionship, a drink and a chat, followed by a speaker and an optional lunch.

There are also occasional outings for members, family and friends and they also hold a President's Day and a Christmas or New Year luncheon at which guests are very welcome.

Membership is limited to 75 and at present they have a few vacancies. Subscription is £20.00 with the optional lunch being £9.00.

If you would like to know more or just come along as a guest to see what they get up to, telephone our Membership Secretary David French on 875466.

Can you make a good cup of tea?

Catherine Hallinan, a Community Development worker is looking for people to make a real difference by helping local lonely elderly people feel less isolated.

The rewards for donating your time are huge: an immense sense of satisfaction that you are welcomed and valued and that you have helped someone by just spending some time with them.

The amount of time you give is entirely up to you. This can range from having a cup of tea and a chat for an hour a week, up to three or more visits per week, or taking the client to the shops, accompanying them to an appointment with the doctor, or for a walk. If you can share a couple of hours a week with an elderly person or want some more information please call Catherine on 01664 485307.

Computing – all levels starting October/November 2008

RYA Basic Navigation starting November 2009

Telephone 844199 or email jhmadgwick@leics.gov.uk for more details or to book a place.

Domestic violence - don't suffer in silence.

No one has to cope alone. It is estimated that one in four women and one in six men will experience domestic violence at some point in their lives. Many people who are experiencing domestic violence find it difficult to tell someone because they may be ashamed of what is happening, scared of what will happen if they tell, or they may still love the person who is hurting them. For details of all local confidential help or advice, call the Domestic Violence Helpline on 0116 255 0004. There is also a 24 hour free phone National Domestic Violence Helpline – 0800 2000 247.

Parish Council Notes

11th August

The number of planning applications to Melton Borough Council has dropped considerably. 'No parking bus stops' signs to be marked out on either side of the High Street. The County Council is considering a one-way system for Chapel Street. New greenhouses on allotments must be part of the lease agreement. The County Council is replacing some street lights on Beckingthorpe Drive.

Village Voice has no report for the meeting in September. If you wish to read the minutes go to the library, or look at the parish council's web site at www.meltononline.co.uk/pp/parish/detail.asp?id=55

Rainbows need a helper

I run a Rainbow Guide unit on a Monday evening from 5pm to 6pm and have 18 Rainbows from the age of 5 to 7. I need someone who is prepared to give up one hour a week to come and get to know the Rainbows and have lots of fun doing crafts and activities, going for walks (weather permitting) and all sorts of fun, games and parties.

The lucky person will not need to bring or organise anything unless they want to, but will need to complete a CRB check. There's no uniform for helpers, just come and have fun and be an Aunty/Uncle or Granny/Gramps to 18 Rainbows. We only meet in term time. *Teresa Patchett, 6 The Square, Bottesford*

Flying the flag

It was a proud moment for Irene Hotchin when she was chosen to raise the 2012 Olympic flag for the Anglia Region of Girlguiding UK at their headquarters at Great Hautbois House, Norfolk. This took place as the Olympic Flag was handed to Boris Johnston at the end of the Beijing Olympics. The flag was one of 200 raised by Girlguiding UK, and Irene was chosen for this role having won many gold and silver medals as a former member of the British Paralympic team.

Five generations of girls!

Julie Langford of Bottesford is celebrating the birth of her granddaughter Isla. Julie's daughter Rebecca was born and brought up in Bottesford, and recently gave birth to Isla - which makes 5 generations of girls in the family, along with great-grandmother Norma Turner, and great-great-grandmother Beatrice Elliott.

Sports News

Cricket news from Joe Ablewhite, 2nd team captain

This year there have been a few changes, but with a few 'old faces' still around, and a different approach, we sparked off a very good 2008 season. Special mention goes to two of our young village lads: firstly Jake Hutchinson, who took 34 wickets this season. He has a special all round talent which could see him go to the top.

Also, to Ben Baker, who knows that with even more hard work over the forthcoming winter months he will become a force to be reckoned with.

There are certainly good times to look forward to in 2009!

Football news

Football season has started again: Saturday mornings 9.30-11.00 training, starting from 6 years old, and Sunday morning 10.00-11.30, for girls, starting from 7 years old. Call Bud 843391 or Dan 843858 for details.

Bottesford Football Club will be holding a Disco on 6th December—see P6, 'Whats On' for more information.

Congratulations to Dave Sewell for achieving his Level Two in Coaching Football.

Friends of Chernobyl Children- Marathon Runner

Richard Coombs, of Bottesford, who is a Host Family for one of the children and who recently ran the Robin Hood Marathon, has completed the Great North Run in 1 hour and 33 minutes, beating his personal best by 1 minute. Richard hopes this will raise over £500.00 for the Charity - well done Richard!

Foundation stone laid at new extension to Belvoir High School

A £5.9m extension, including a state-of-the-art science laboratory, new library and virtual learning hub is under construction by Willmott Dixon Ltd. An eco-centre will be built and the new extension makes use of sustainable materials and an energy-efficient boiler. The school will introduce a rainwater recycling system. Existing school buildings are also being refurbished.

Pictured right is Bottesford's elder statesman Bill Roberts, whose firm built the original school buildings in 1957-9.

Photography by courtesy of Ted Rayson, Bingham.
