Brownies

Armed with protective gloves and many bin bags the 1st Bottesford Brownies spent an evening picking up rubbish from the public areas of the village, including the skate park, the Jubilee Green, the Walford Close play area and all the road sides while walking from the Scout Hut. After just one hour they had enough rubbish to completely fill a large wheelie bin. Thank you Brownies, for cleaning up after untidy people!

Changes at Bottesford Neighbourhood Watch

Brian Kelk supported Bottesford NHW for the last seven years. The new Principal Co-ordinator is John Shilton who has lived in the village for the last 10 years.

In a new initiative Steve Cooper has been appointed as NHW Co-ordinator (Youth). Steve is a member of Vale of Belvoir Lions. This new post will work alongside other youth initiatives in the area and will seek to introduce young people to NHW and encourage their participation.

If you live within the Bottesford Parish and would like to receive emails alerting you to local community safety issues you can contact NHW at JohnS@BottesfordParishNHW.org.uk or phone John Shilton on 07725 636626.

British Legion 90th Anniversary

The British Legion was formed in 1921 and was given 'Royal' status in 1971. The Legion looks after any veteran or service person and their family when they need it. It is interesting to note that there has been only one year (1968) since World War 2, when a British Service person has not been killed on active service. Every year more than 36 million poppies are made and this year children will be able to have blue wristbands. House to house collections will be from Saturday 29th October to Saturday 12th November. If you would like to help please ring 842259.

Uganda International Trip - by Teresa Patchett for Girlguiding UK

'On 15th August we left Heathrow for Kampala, Uganda. We spent a few days in the local community helping to build a new latrine and working at a local school. After some R & R, we helped to deliver essential items to both children and elderly people. We also spent time with Scouts, Guides and other children teaching them how to make bead and friendship bracelets.

I found this trip very rewarding. It was a privilege meeting and helping people who have so little compared to us but are always so happy. I am already starting to fundraise for a return trip with my own Senior Section unit.'

Shoo Shoo Baby's Christmas Party 4th Dec. 7.30pm in the Village Hall

This effortlessly funny musical double act hosts an unashamedly sparkly Christmas celebration. The show features new arrangements of old songs as well as a few newer numbers. Tickets are available from the SPAR and ZARO'S, from Gill Chiswell on 842868, or on line at:

<http://www.wegotickets.com/event/130357> (booking fee charged)

Bottesford Skate Park (BSP)

The BSP is a fantastic facility. Unfortunately over the last two years the committee has shrunk to just two people and they desperately need new members to help with duties such as applying for funding and maintenance of the ramps (1/2 day every 2 months). If your child/children use the BSP please consider joining the committee. Contact Russell Symonds on 07796954055 or Gordon Geach on 07713264781 for more details.

The 34th Bottesford Gardens Association Open Show.

After expecting a very thin show this year, given a freezing winter followed by months of cold Northerly winds and no rain, there was a wonderful number of entries! It was the busiest show for over 10 years, with entries up by 200 on last year.

Quality in all classes was excellent and the number of exhibits in the flower, fruit and vegetable classes, arts, crafts and needlework were just about containable on the available spaces.

The children's section with over 70 entries was particularly encouraging with the Village Voice Award for Juniors going to the Bottesford Primary School Gardeners and the Jubilee Trophy for Infants to J. Dobney (pictured).

After judging, the hall was opened to viewing and was thronged throughout the afternoon, the fine weather and heat in the hall producing a roaring trade for the ladies catering for the thirsty and hungry with a wide assortment of drinks and home made snacks.

Pru Chandler presented the Trophies, thanking all exhibitors and back room staff for their efforts and making special mention of her pleasure at the standard of the children's entries.

A Big Thank You!

Thanks to everyone who generously sponsored ten year old Isobel Coombs from Bottesford who took part in this year's Robin Hood Mini Marathon. Isobel completed the 2.6 mile race in 21 minutes coming 225th out of 1,201. She raised an impressive £602.25 for the Friends of Chernobyl's Children charity, based in the village, which will fund one child from Belarus to visit us next summer.

Lady of the Vale Art Exhibition

In September over 60 people previewed the Exhibition as they ate delicious food, entertained by John Gibson on acoustic guitar and Ruth Berrisford on flute. Many more visitors came during the weekend. St Mary's flower arrangers exhibited outstanding displays, including a display by Barbara Cain called 'Let us pray', a dramatic black and white creation by Sheryl Lee, and an artist's palette by Maureen Wright. Michael Fowler won the People's Choice in the Art Competition with a painting of St Mary's Church. Cream teas were served by members of the church. The exhibition concluded with the launch of The Friends of St Mary's at a service of favourite hymns. Thank you to everyone who helped to create a wonderful weekend of Art and Entertainment.

Busy Parish Owls

Residents of Normanton were rewarded for fitting two owl boxes six years ago when this year a pair of barn owls raised five young in a box fitted to the back of the garage in their rear garden. What makes this more interesting is that this was the earliest and largest second brood of barn owls known to the licensed bird ringers who check the local barn owl nests, as this pair had also raised three young in a box over a mile away near Muston.

GCSE Results at Belvoir High School 2011

Staff, pupils and parents at Belvoir High School are celebrating following another record breaking year for GCSE results. Amongst some outstanding results, a number of pupils in particular shine: Sarah Roberts achieved ten A* and an A, Charlotte Romans gained nine A* and three As and Charlie Hatcher seven A* and four As. However, Mr Sherwin also pointed out that every pupil attained at least five GCSE grades A-G with 98% achieving at least one grade C: 'This is an achievement of which we are equally proud'.

Primary School New Starters

This happy group of four and five year olds started full-time education at the primary school at the beginning of September.

Marie Curie coffee morning

Steve and Allison Dewar organised and hosted a coffee morning, book sale and tombola at the Fuller Rooms in October, in aid of Marie Curie Cancer Care, raising £317.77. Friends and family baked cakes, donated books and prizes and helped on the day. Many thanks to the Co-op who supplied the tea, coffee, sugar and milk for the event.

Steve said: "This is a fantastic amount to raise for Marie Curie. It was very successful and we hope to hold another coffee morning in the New Year. Thanks so much to everyone who came along and supported the event".

Sell Out Fashion Show

A fashion show held in the VC Hall in September raised over £700, with funds being split between the Bottesford & District WI and the VC Hall. With the bargain clothing on offer coming from High Street stores, the tickets had sold out very quickly. The organisers are planning to hold a similar event in 2012 – look out for details! Many thanks to everyone who helped out.

Festival Queen follow-up

The great-niece of Mrs Bella Gale contacted Village Voice after seeing the 'Festival Queen' article in Issue 55. She provided background information on Mrs Gale's life in Muston and Bottesford, which is now on the Bottesford Living History website along with a photograph of a much younger Isabella Gale. If articles and photographs remind you of past happenings in the village, please contact us at Village Voice.

There are about twelve members in the group but they are always looking for more – especially men. Interested? Contact Alec Johns Tel: 842474 or email: alecandbeckyjohns@tiscali.co.uk

Sport: The start of a new football season at the new ground

The first day of a new season is always exciting and especially so this year.

It was great to see so many people at the new ground with five different age groups training or playing matches coupled with two opposition clubs. There were no parking issues and a fantastic buzz about the place.

The first competitive match to finish on our new ground ended in a 1-0 win for our U14s, managed by Ian Brooks, closely followed by John Robinson's U10s winning 2-0.

Callum Jones of Bottesford was selected for the GB under 18 coxless four rowing team for the Junior World Championships earlier this summer. The four rowed very well throughout the rounds but in the end just missed out on a final place by one second. As Callum still has two more years in this age category there are great hopes of bigger and better things next year.

Callum's school hope that he will ultimately represent Great Britain in future international events and, of course, the Olympics.

Sean and Rory Lamont

Brothers, Sean and Rory Lamont have both recently been representing Scotland in the Rugby World Cup in New Zealand. Both lived in Bottesford and attended Belvoir High School before moving on to King Edward V11 School in Melton. Sean studied Sports Science at Sheffield Hallam University and played rugby for a variety of teams. He was selected to play for Scotland in 2004 and has represented them 57 times whilst also playing for Northampton Saints. He has played for the Welsh club Scarlets since 2009.

Rory studied at Northampton University. He made his debut for Scotland in the Six Nations championships in 2005 and has represented them 24 times. He currently plays for RC Toulon in France.

The first Vale of Belvoir Lions Fun Run.

425 runners took part in a Fun Run through the grounds of Belvoir Castle in aid of the RNLI, Help for Heroes and other local charities. Comments received, "Just wanted to say what a great event. Really enjoyed the course, excellent stewards, well organised – brilliant."

On the day there was the Lions barbeque, refreshments, a Sports Physio tent, a bar, professional photography services, onsite shop for ices and confectionery and a chance to discuss the work the Lions do with 'real' Lions!

The Vale of Belvoir Lions are grateful to all the sponsors that helped to make the event a success.

The full race results can be found here:
