Bottesford Community Library logo competition

This photo shows the winning design for the Community Library logo competition that was drawn by Samuel Hinton (aged 11). Thanks to all the children who submitted entries and to Liz & Kait for their hard work.

The County Council have agreed that the library will be run by the Bottesford Community Library Association (BCLA) from October 2015.

BCLA is looking for volunteers and for Friends to make a regular donation to support their work (see leaflet enclosed). For more information go to our Facebook page or email: bottesfordcommunitylibrary@outlook.com or ring 843402.

Wheelchair donated to the Good Neighbour Scheme

Money collected through a book loan scheme at Mane Line on Queen Street, has been used to buy a wheelchair for the Good Neighbour Scheme. Rosemary (the owner) chose this charity as a 'thank you' for their help with her mother.

Up to the end of April the scheme has carried out almost 700 jobs which range from taking a dog to the vet,

doing some shopping, or visiting people at home. The Scheme urgently needs volunteer drivers.

To help, ring Linda on: 07849311740 or email: lindarichardson69@msn.com

Pictured with Rosemary is Linda Richardson, who organises the GNS, together with Ruth Houghton in the chair, who is a regular user of the scheme.

Muston May Day

The sun shone on Muston as crowds gathered to watch the Duck Race. All 200 ducks were sold and there was much excitement as everyone waited for the first ducks to appear. The race was followed by a barbecue and 5-a-side competition.

May Day was organised by Muston Playing Fields Association to raise funds. With Parish Council support, they have already purchased some new equipment, but more is needed, especially with a growing number of toddlers in the village.

Neighbourhood Plan Matters: the consultation phase

The Neighbourhood Plan Group has carried out a number of consultation events to find out what people think is good and bad about the parish, and to decide about what residents want in the future.

- October 2014, meeting with representatives from businesses, schools, sports and hobby clubs, places of worship and neighbouring councils.
- Paper-based and on-line survey in November 2014.
- January 2015, the Rural Community Council met with children from Bottesford Primary School, supported by Bottesford Youth Council. All older children were invited to take part in a survey.

A public meeting for all residents is being organised for summer 2015. Please visit the website or Facebook pages. They would love to hear from residents with any concerns or ideas. The Neighbourhood Plan Communications Team:

www.bottesfordparishneighbourhoodplan.wordpress.com

Parish council

Nine people were elected to the Parish Council in May. Namely: Alan Gough, Miriam Forsey, Julia Tobin, James Goodson, David Wright, Bob Bayman, Leigh Donger, Heather Shephard and Roger Pacey.

For information contact the Clerk (Sharon Pyke) on 222478, or email: clerk@bottesfordpc.org.uk

Bottesford Pre-School news

We have had a fitness and exercise week at Pre-School which included some football training and karate lessons. The children really enjoyed the football coaching and are looking forward to a future session. All the children love keeping fit on the bikes at Pre-School but unfortunately our balance bikes need replacing so if anyone would like to donate an old one we would be very grateful. Ring 844489 or email: enquiries@bottesfordpreschool.org.uk.

Primary School News

Diversity Theme Days. Two representatives of the Sikh religion recently brought to the school musical instruments, food, and artefacts. The children enjoyed storytelling, dancing, and playing the instruments.

Forest Schools. The focus of the activities is to develop team work and effective communication skills, using the outdoor environment. The KS2 children built the tallest tower the Forest School teacher had seen. The KS1 children made boggits.

Local women join forces to get Bottesford biking

Local mums, Emma Roberts and Britta Bayman, recently decided to organise their own bike events and '2 Wheels and a Piece of Cake' was formed, with the aim of encouraging people to enjoy a bike-ride. Emma said: "We want people to enjoy cycling for the social side of it, to have fun, and to gain confidence about taking exercise. And enjoy tea and cake." Britta said: "We have organised an event on 6 September, 'The Belvoir Blast', supported by British Cycling & open to all. There are 3 rides: 26, 55 and 100 miles."

For more details, visit:

www.2wheelsandapieceofcake.co.uk or drop a line to hello@2wheelsandapieceofcake.co.uk. For training routes from Bottesford, go to www.ridewithgps.com, click on the 'Find' tab and enter 'Bottesford' and keyword 'Belles'.

Photo caption: "Bring me Sunshine!" Emma and Britta look forward to their next bike ride.

Bottesford and District WI darts team's best ever year

The WI darts team not only won all their league matches but they were also top of their league, and won all of the games in the county team finals night too! They believe that this might be the first time that a WI darts team has achieved this. The team practise at The Red Lion and would like to thank them for their support.

Pictured are some of the members of the Bottesford and District WI darts team, from left to right: Margaret Metcalfe, Nicola Moxham, Pat Rollings (Captain), Anne Reek, Val Carey, Diane Cumberland and Pat Burton.

Ivan from Chernobyl

In 2002 I was one of the lucky people in the Parish to have one of the children from the first group from Chernobyl. My little 7 year old boy was called Ivan. They came for the first of one month visits for 5 years. Ivan was a studious boy and always said that he wanted to be a Geography Teacher. Imagine my surprise to receive an email in April this year saying: (in Ivan's words). "I have everything changed. I am though now modelling for a career and these photos have been in several shootings for magazines, fashion shows of the fashion weeks in the country. The five years I spent with you were probably been the best in my life."

First World War heritage weekend

Over 500 people attended 'the Bottesford in the Great War Exhibition and Concert' held at St Mary's in April. In addition to examples of memories and memorabilia collected from within the Parish, the displays included a much appreciated display of 1st World War clothes kindly made available by Kathleen Panter. The cream teas in aid of Church funds encouraged people to stay and discuss the exhibition.

The Exhibition was also on view at a well-attended Saturday evening concert of music and readings also illustrating the impact of the war on the Parish. Music of the period was performed by the Vale of Belvoir U3A Choir and conducted by Barbara Cobb. The Primary School Choir, conducted by Liz Mills, performed WW1 songs and very well received musical items reflecting the sentiments of the period. Judy Holborow accompanied both choirs on the piano. Malcolm Owen was the narrator for the evening. Readings selected from the Grantham Journal and the School Log from the period were read by Primary School children, Jack Simpson (from Belvoir High School), Vic Martin, Dave Slater, Elaine Marlow and Sue Middleton. The Concert raised over £700 for the Friends of St Mary's.

Bottesford bombed 50 years ago

Bottesford had the distinction of being the last place in England to be bombed. On 20th March 1945 a Junkers 188 dropped a number of dud explosives and fired cannon shells. There was little damage and no casualties.

WW1 centenary casualties:

Sergeant James Richey Furnival (killed in action 30.04.1915) was the youngest son of the Rev. James Furnival (Rector of Muston Church in the late 1800s) and Mrs. Julia Furnival. James was born in Muston in 1879. In 1909 he emigrated to Western Australia as a farmer, volunteering on the 7th September 1914 to serve with the 11th Battalion Australian Infantry Force. He was killed in action at Gallipoli on the 30th April 1915.

Able Seaman George Alfred Calcraft (died 27.05.1915) was the second person from Bottesford to be killed on active service in the 1st World War. He died whilst serving on HMS "Princess Irene" when it exploded with the loss of all but one survivor from 225 crew members. Alfred Calcraft was aged 33 when the incident occurred at Sheerness on 27th May 1915. Sadly his body was never recovered for burial and he has no known grave.

Spotlight on Bottesford in the Grantham Journal May 1985.

The page highlighted the attraction of living in a village with a full range of facilities, including schools, transport links, shops, places of worship and a variety of sports and leisure clubs. Also featured were Marcus Designs (specialists in medieval plaques and ornaments, Mrs Edna Toon and her very large collection of dolls, Terry Reason's Sheer Magic Shows and the Busy Bees church fund raisers (handicrafts etc.).

"Melton Borough Council got it absolutely right" said Barbara Hart in 1985 as the Duke of Rutland opened the £450,000 housing scheme on Walford Close. A local architect met the challenge to design a housing complex that would blend with older buildings and be suitable for elderly village residents. Primary school pupils Jonathan Hamer and Sarah Coulson chose the name Queens Walk for the path to Queen Street.
