Bottesford Primary School's WW1 Activities Day

Children participated in activities designed to promote awareness and understanding of the experiences of former pupils who served in the First World War - their training, service equipment, daily routines of trench living, health, illness and injury, food and home comforts. Everyone at the school dressed up in period clothes and enjoyed a WW1 lunch.

Scott Knowles from 'Tommy Teaches' led activities focused on life in the trenches. Members of the

Leicestershire and Rutland Western Front Association (Valerie Jacques, David Humberston, Mr. and Mrs. John Taylor, and Andy Ball) displayed WW1 memorabilia.

Ian and Betty Douglas from the Lincolnshire branch of the Western Front Association demonstrated a working model of a First World War tank. Martin Fagan from BelvoirCare and Katie Hateley from FoxMedics taught Battlefield First Aid. The Vale of Belvoir U3A Knit and Natter Group showed how knitted garments were produced during the War. Volunteers from the Bottesford Parish WW1 Centenary Project also assisted staff and The British Red Cross provided VAD nurse uniforms.

At the end of the day pupils, teachers and volunteers joined together in an assembly to reflect on their experience of the day and to remember those from the community who served during the War.

The Bottesford Parish WW1 Centenary Project is supported by the Heritage Lottery Fund.

First World War Casualties

Joseph William Edwards was born in 1895 in Staffordshire, and in 1911 the family lived at the South Station cottages. When war broke out Joseph Edwards became a private in the Lincolnshire Regiment. He served in the Dardenelles Campaign and died in Gallipoli on 25 Oct 1915 aged 19 years.

Bernard Hickson was born in 1893 in Bottesford. The family lived at Easthorpe Mill and his father, Arthur Hickson, was a flour miller. Bernard served in the machine gun section of the Lincolnshire Yeomanry and died on 3 Nov 1915 in the Mediterranean on board the transport Mercian.

Village Voice Photographic Competition 2015

Abstract is the theme for the third annual photographic competition run by Village Voice and judged by local professional photographer Mark Pugh. Prizes will be awarded to the winners in each of the three age categories: under 11s, 11 – 18s, and over 18s. The following rules apply:

- All photos must be submitted as digital photographs **only**.
- Photos can be taken with cameras, tablets or mobile phones.
- The photographs will be judged on their own merit, and not on the kind of camera they were taken with.
- Entries limited to 3 photographs per person.
- Entries to be received no later than midnight 29th November 2015.

Under 18s prize winners will receive one £50.00 Photography Gift Voucher and this can be redeemed towards Prom, Family, Birthday, and Event Photography sessions with Mark Pugh. View www.mppmedia.co.uk for additional details.

Over 18s prize winners will receive one photography tuition session with Mark Pugh worth £380.00. This will be an opportunity to explore your photography knowledge and take your skills to the next level.

Entries should be emailed to vv@bottesford.org.uk along with your name, age, contact telephone number, name of your photograph and a brief background about the photo.

Please note that Copyright remains with the photographer. However, all entries may be used by the Village Voice for promotional purposes. Entering the competition signifies your agreement to this.

Model Release Forms will need to be signed by the parents/guardians of any children featured in photographs that are published and VV will take the necessary steps to make arrangements for this where appropriate.

Primary school update

There is a lot of building work underway at the school. The hall is being extended to make more room for events such as parent assemblies and we are having a new staffroom. The office spaces have been reconfigured to provide a better working space and an extra meeting room. Finally, we are having two new classrooms that will accommodate rising numbers of pupils. All the work is well under way and is due to be completed around the October half term.
Caroline Stevenson (Deputy Head)

WI 60th birthday in 1985

In 1985 on its 60th birthday, Bottesford W.I. was 'In the Spotlight' in the Grantham Journal. The darts team commented that they would "go on trying" in darts competitions because participation and enjoyment was more important than success in competitions. Thirty years later the present team has participated and enjoyed a best ever year with league and county finals success.

90 years young and still going strong

Bottesford and District WI celebrated its 90th Anniversary and the National Federation of WI's 100th Anniversary in style recently, with a party. Members enjoyed a lovely meal together prepared by the committee, and celebrated with two cakes. They were entertained by the excellent Acme Swing band. Bottesford WI has approaching 60 members and is always keen to welcome more. So if you are interested in joining, then please contact our Secretary, Marian Orr on 01949 843629.

Bottesford Horticultural Show 2015

"More entrants and fewer entries" said one of the Bottesford and District Gardens Association Committee members about this year's show. The committee felt that the appearance of new faces was encouraging for the future. The standard through all classes was high with both flowers and needlework receiving praise from the judges.

Pictured: the winner of the Village Voice trophy, Sheena Colton.

Allotment Competition

The Gardens Association has also taken over judging the allotments at the request of the Parish Council who continue to sponsor the awards. The award for first place in the large allotment category went to Noel Carolan with his Mill Dam allotment, and in the small allotment category to Teresa Buckley for her Pinfold allotment.

St Mary's News

The Open Church day in September was a wonderful success, with the church filled throughout the day with parishioners enjoying the delicious free cream teas, friendship and all the treasures of the church building. This was followed by the licensing of our new vicar, Revd. David Payne, by Bishop Christopher on Monday 14th September with a special service involving members of the church family, wider local community and Leicester Diocese.

The annual Harvest Supper completed a very busy week for members of the church. Ninety six people sat down to a three course meal in the newly refurbished West End of the church, and there were actually complaints about the temperature in church being too warm due to the benefits of the underfloor heating! Guests sang the harvest hymn 'We plough the fields and scatter' and then enjoyed a sumptuous meal.

Could YOU make room for Mary and Joseph this Advent?

The Posada figures of Mary and Joseph are again looking for shelter in Bottesford and Muston...if you would like to host the Nativity family for a night during December, please contact Margaret Fairhurst on 842865.

From the Bell Ringers...

In September the church bells in Bottesford rang twice in celebration. On 9th at 17.30 BST Queen Elizabeth 2nd had reigned for 23,226 days 16 hours and approximately 30 minutes. She had surpassed the reign of her great-great-grandmother, Queen Victoria. On 14th, the bells rang to celebrate the licensing of the Revd David Payne as Priest in Charge of the Parishes of Bottesford and Muston.

Visiting ringers from Melton District LDG completed a special month for St Mary's bell ringers.

A spate of emails supposedly offering tax rebates from HMRC has been received in the locality. This is a scam. HMRC does not contact people by email in respect of tax rebates – they only use the traditional postal service.

Bottesford Parish Neighbourhood Plan - future activities

You should now have received the residents' questionnaire which will gather your views on the future of the Parish. We realise that it is yet another form to fill in but it is really important to get a good response so that we are confident that the Neighbourhood Plan document reflects your views. Also, that it has the support of the community. If you have not received one do contact us.

The result of the Housing Need Survey is with Melton Borough Council and will be reported on our website:

A sub group of the Steering Group is collecting evidence on the extent of flooding that occurred in the Parish in 2001. If anyone has photographs or other records of this event and would be prepared to share them please contact the number below.
